

LEGAL NOTICES – VISUOL TECHNOLOGIES

V-Optics has opened this website for the information of its users. No commercial exploitation, even partial, of the data presented therein may be made without the prior written consent of V-Optics. The information contained in this website corresponds to the date of realization of the website, and may change at any time. For the latest developments, please consult a member of the V-Optics network who will answer all your questions.

Protection and processing of personal data

When using our services, you may be requested to provide personal information on this website. The answers to these questions are optional.

The personal data added on the V-Optics website are used for the execution of contracts and the processing of your requests. Processing and use of your data for advice, publicity and market research requires your formal agreement.

If the declaration of consent for the aforementioned purposes also includes the transmission of your data to V-Optics or to other third parties therein, your data may then be transmitted to them. Otherwise, a transmission of your data will not take place under any circumstances.

Intellectual property rights

The presentation and the contents of this website constitute together a work protected by the laws in force on the intellectual property, of which V-Optics is the holder. No reproduction or representation, partial or complete, may be made without the prior written consent of V-Optics. The name V-Optics, the logo V-Optics, the products in the range and the slogans are, unless otherwise stated, registered as trademarks of V-Optics. Any unauthorized exploitation of the site or its contents, the information disclosed therein, without the prior written consent of V-Optics, would be under the responsibility of the user and constitute an infringement punishable by the articles L 335-2 and following the Code Of Intellectual Property.

The models of products, drawings, photographs, images, texts, animated and non-audio sequences and other documents represented on this site are subject to industrial and / or intellectual property rights and are, as the case may be, owned by V-Optics or Third party having given to V-Optics the permission to use them.

As such, any reproduction, representation, adaptation, translation and / or modification, partial or integral, or transfers to another site are forbidden. Their reproduction, in whole or in part, without the prior written consent of V-Optics is strictly forbidden, except for that made for the needs of the press.

Copyright

© Copyright V-Optics, Metz (France). All rights reserved. Texts, images, graphics, sound data, animations and videos and their layout on the V-Optics websites are governed by the legislation on literary and artistic property and by other protective provisions. It is forbidden to copy, distribute, modify or make accessible to third parties the content of these websites for commercial purposes. We draw your attention to the fact that the website contain images that are in part subject to the copyright of third parties.

Brands

In the absence of a stipulation to the contrary, all displayed trademarks on this website are protected under the

trademark law in favor of V-Optics. This applies in particular to V-Optics brands, nameplates, company logos and patches.

Responsibility

V-Optics takes the utmost care and implements all means to disseminate quality information on the "www.visuol.com" website.

However, V-Optics can absolutely not guarantee the accuracy and completeness of all of this information. This information and / or documents may contain technical inaccuracies and typographical errors. It is strongly recommended to verify the accuracy and relevance of the information and / or documents made available on this site. V-Optics reserves the right to correct them, as soon as these errors are brought to its knowledge.

The information and / or documents available on this website are subject to change at any time and may have been updated. In particular, they may have been updated between the time they are downloaded and the time the user sees them.

Thus, V-Optics, subject to an obligation of means, cannot be held responsible for any direct or indirect damage due to information misused and / or which would have proved inaccurate or incomplete.

The establishment of links to the site "www.visuol.com", including "deep", is not conditioned on any prior agreement. Only the explicit mention of the V-Optics site in the title of the link is desired.

However, this site should be displayed in a new browser window. However, the publisher reserves the right to ask for the deletion of a link that he deems not to conform to the object of the site "www.visuol.com".

The "www.visuol.com" site may contain hypertext links to other private or public sites on the Internet. However, since V-Optics is not the publisher of these sites, it cannot control its content. Consequently, V-Optics cannot be held responsible for the content of the websites thus accessible, or any collection and transmission of personal data, installation of cookies or any other process for the same purposes, carried out by these sites.

Cookies

A cookie is a small text file saved by a website on your hard drive. Cookies do not damage your computer and do not contain viruses. The cookies on our web pages do not collect any personal data about you. At any time, you can disable the use of cookies by setting your browser. The shelf life of this information in your computer is 30-days.

Generally, our websites contain cookies only for the purposes of anonymous statistical evaluation and to improve the surfing of Internet users. If these cookies were to be useful in particular cases, you will be informed of them in the corresponding place.

Rights of use

V-Optics wishes to introduce itself to you through this innovative and informative website. The intellectual property contained within the framework of this site, such as patents, trademarks and copyrights, is protected. Through this website, no license is granted for the use of the intellectual property of V-Optics or third parties.

Access to the website

The publisher shall endeavor to provide access to the site 24 hours a day, seven days a week, except in the case of force majeure or an event beyond the control of V-Optics, and subject to possible breakdowns and Maintenance necessary for the proper functioning of the site and the services.

Consequently, V-Optics cannot guarantee the availability of the site and / or services, transmission reliability and performance in terms of response time or quality.

The publisher cannot be held liable if the site is not accessible and / or the services are used.

Acceptance of terms of use

The user acknowledges having read the terms of use, at the time of its connection to the site "www.visuol.com" and expressly declares to accept them without reservation.

Changes in terms of use

V-Optics reserves the right to modify, at any time and without prior notice, the present conditions of use in order to adapt them to the evolutions of the site and / or its exploitation. The user agrees to consult it regularly.
